DETAILED ACTION

Allowable Subject Matter

Claims 1-71 are allowed.

The following is an examiner's statement of reasons for allowance:

The claims in the instant application have not been rejected using prior art because no reference, or reasonable combination thereof, could be found which disclose, suggest or teach, a relationship indicator controlled by said processor, wherein, after each time said player selects one of said symbols using said symbol selector which is not said target symbol and not a last selection, said relationship indicator identifies a relationship in said secondary game between said target symbol and the selected symbol including a subset of symbols of said target set which includes at least said target symbol.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
